LOOKING FOR **RESEARCH** THAT MATTERS?

Stay ahead of the curve with articles on research and theory, direct-practice issues, and the delivery and management of services.

EXPLORE our 30-year online archive of 2,000 articles

SEARCH unique content with comprehensive online tools

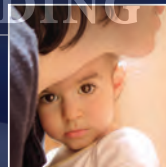

EXAMINE hundreds of article collections on pivotal topics

SHARE ideas and interests through Web meetings, Weblogs, and online forums

UNDERSTANDING

“Our health professionals will gain a better understanding of the strategies they can use to improve client-centred practice with your articles.”

—Louis-Francois Dallaire
Interprofessional Education for Collaborative
Patient-Centred Practice (IECPCP)

YOUR ALL-IN-ONE **RESOURCE** FOR:

- evidence-based approaches
- methods and theory
- real world applications for practice with families and communities

INSIGHTFUL

“The online series on international foster care has incredibly useful and insightful articles that directly benefit many in our international initiatives.”

—Aaron L. Greenberg
UNICEF / Child Protection Section

BENEFICIAL

“Your article on helping others understand the benefits of consumer-directed care will be a great help to our Alzheimer program grantees and applicants.”

—Lori Stalbaum (MSW)
U.S. Administration on Aging (AoA)
Dept of Health and Human Services
